

WeNabe Partner Agreement

Version 2026-10-07

This agreement is between WeNabe, a non-profit platform for a community that shares Islamic values ("we"), and the organisation that registers as a partner ("you").

1. What partnership is

You let us list your opportunities, such as volunteering, paid work, learning and events, and link people to your own pages. Being a partner does not make either of us the other's agent or employee.

2. What we do

We show a short line about each opportunity and send people to your own pages. We copy nothing from your website.

With your agreement we may also show your organisation's name and logo as a partner of WeNabe.

A person at WeNabe reviews your details before anything is shown. We may decline a registration, or take a listing down, if it does not follow this agreement.

3. What you do

You confirm that the details you give are true, that you are entitled to give them, and that the pages you give us are on your own website.

You keep your details up to date. Your opportunities must be genuine and lawful, and must not exclude people unfairly. You will not use WeNabe to promote interest-based finance or anything unlawful.

Where you give us a logo, you confirm that you have the right to let us show it.

4. Ad space credits

Partners who meet our guidelines may earn ad space credits on WeNabe. The guidelines are published separately and may change. Nothing in this agreement guarantees any credit.

5. Your details

We use your contact email only to confirm and update your registration and to send you this agreement and any notice about it. Our privacy notice explains more.

6. Changes to this agreement

We may update this agreement at any time. When we do, we email you the new version as a PDF. If you do not want to continue on the new terms, you can opt out at any time. If you stay listed after an update, you accept it, and we ask you to confirm it the next time you save your details.

7. Opting out and ending the agreement

You can opt out of everything, or only of some features, whenever you like. The features are: being linked from our opportunity pages, being shown as a partner with your name and logo, and having us look at your feed for new opportunities.

Opting out of everything ends this agreement and we stop linking to you straight away. Nothing is deleted, so you can come back and register again later. We may also end this agreement if it is not followed, and we will tell you why where we can.

You make these choices on the partner choices page at wenabe.com/partner/choices, after confirming your email with a code.

8. Our responsibility

WeNabe does not guarantee any number of visitors, applicants or any other result. Nothing in this agreement limits rights you have by law.
